INNITOU 1985

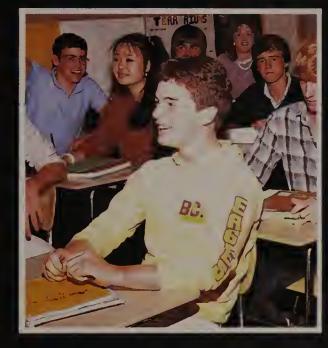

There are places I'll remember All my life, though some have changed

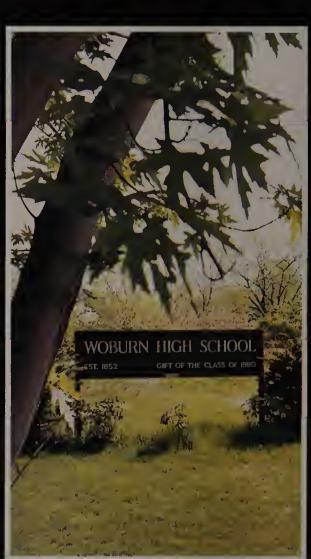

Some forever, not for better Some are gone and some remain

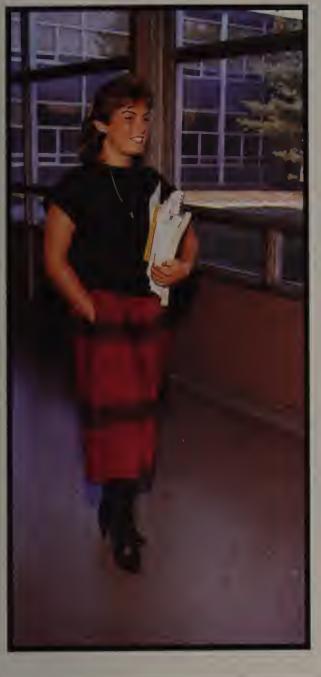

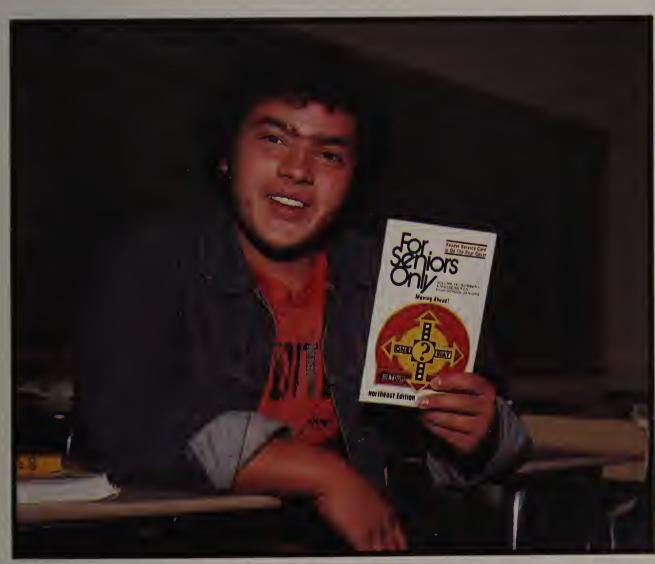

All these places have their moments with lovers and friends I still can recall

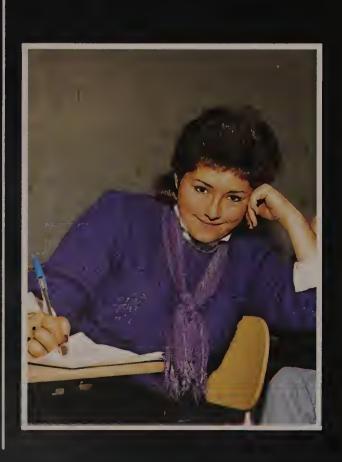

In my life, I've loved them all

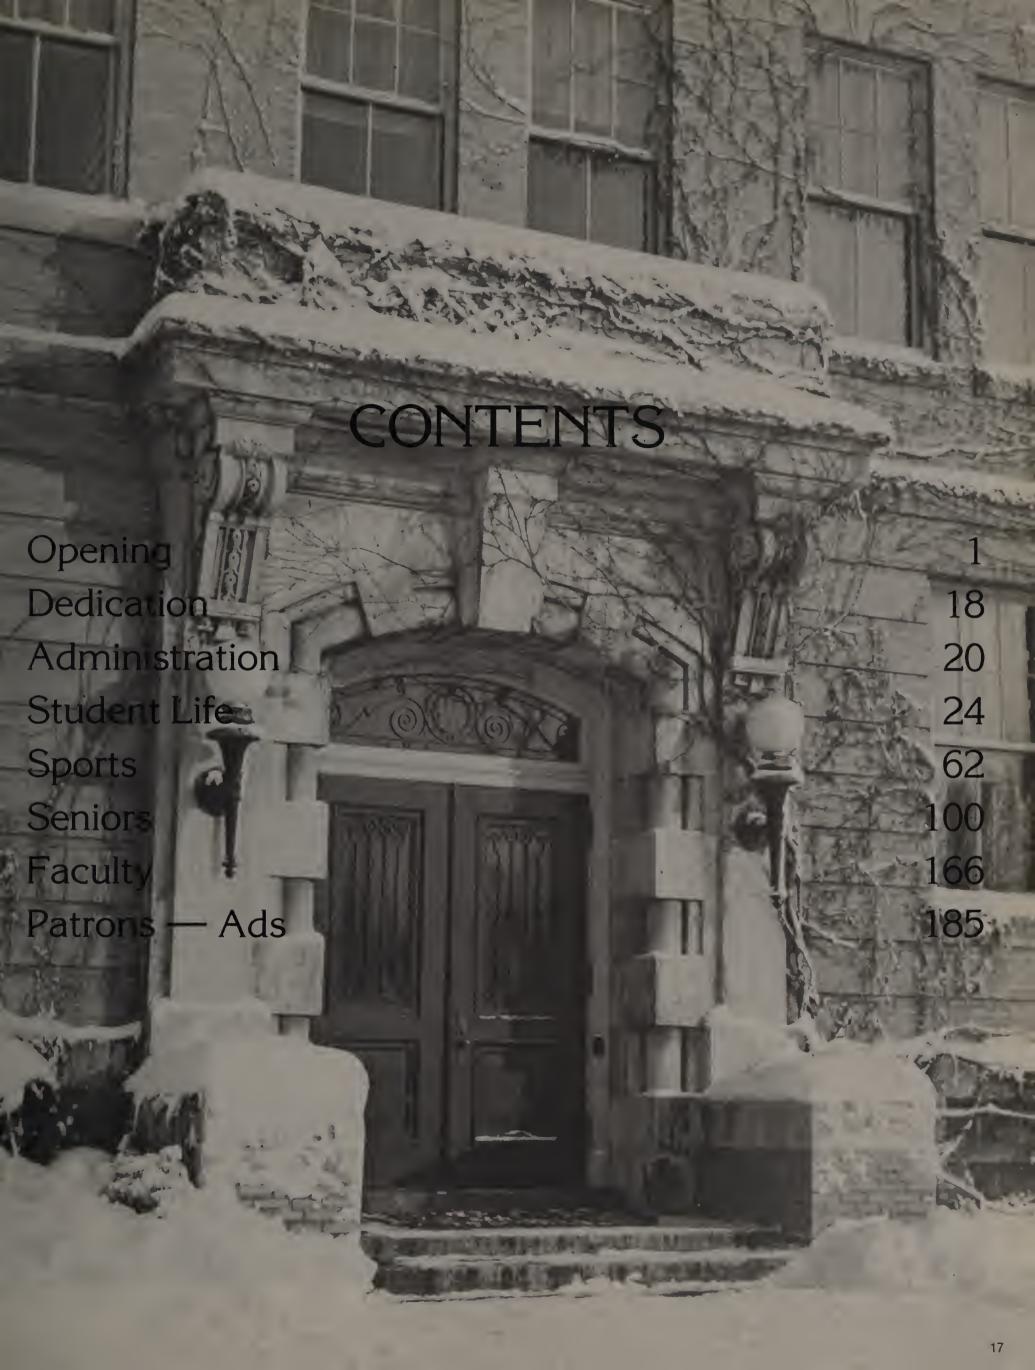

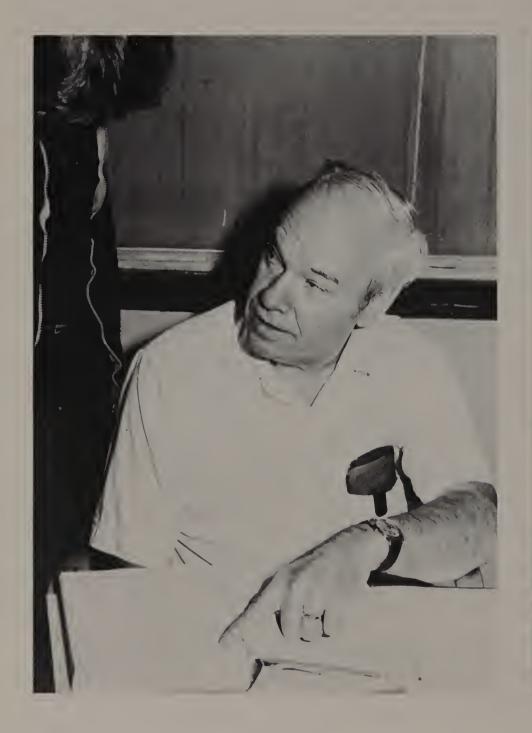

DEDICATION

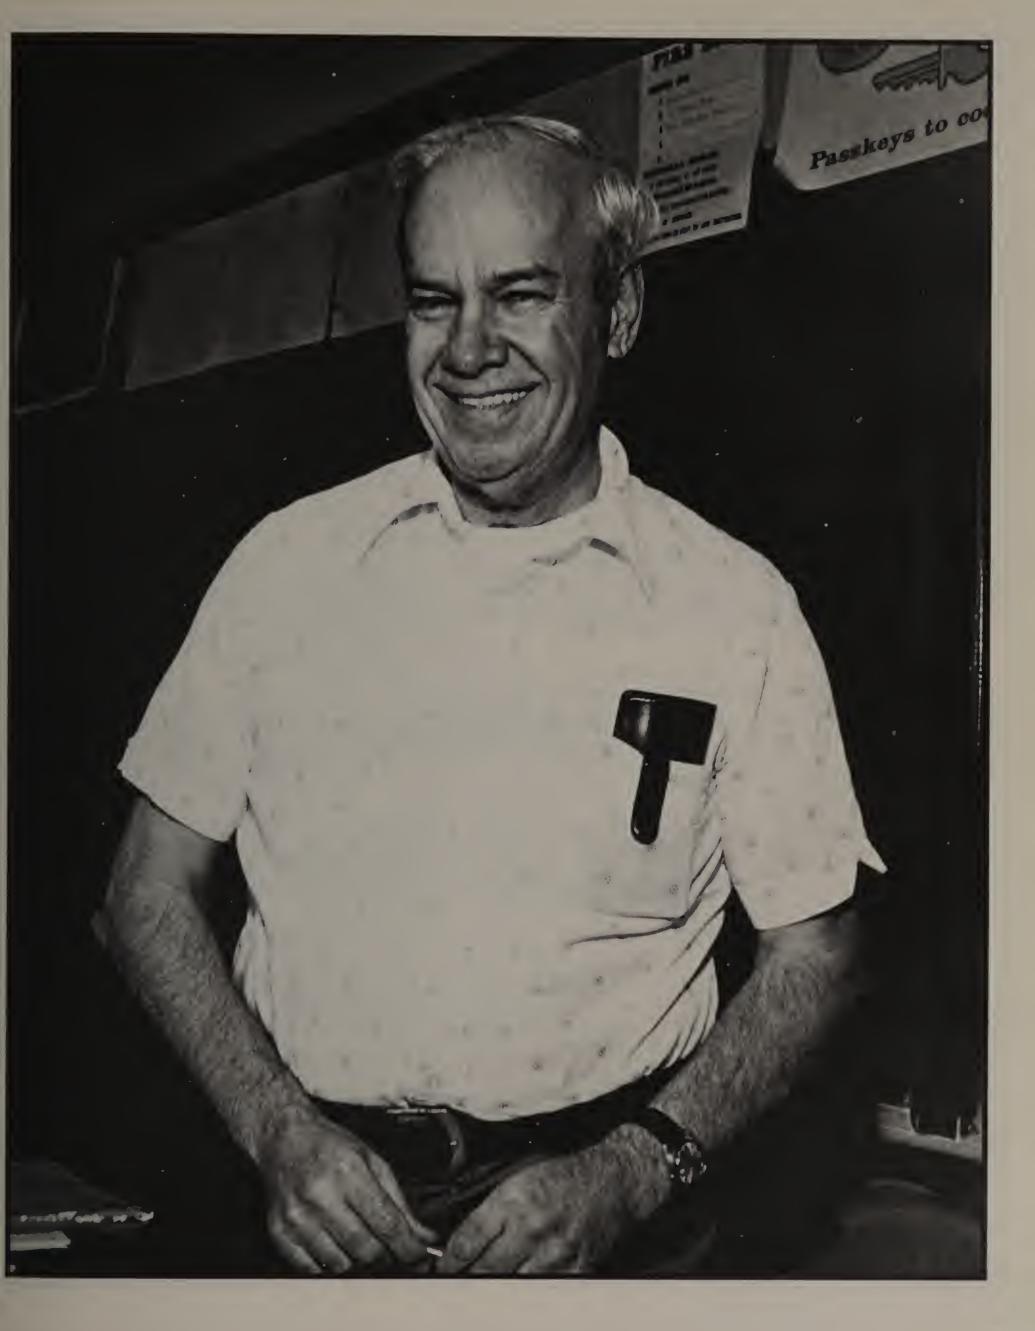

We, the Class of 1985, wish to dedicate our Yearbook to a person who has worked with us in an unselfish, friendly, and sincere manner during our three years at Woburn High. We feel that this person has had a genuine interest in our educational and personal progress, and has done his utmost in helping us to achieve our goals.

In gratitude for the many things he has done for us, we dedicate the 1985 INNITOU to:

MR. WILLIAM HOLLAND

SUPERINTENDENT AND ADMINISTRATION

To the Class of 1985--

As students of Woburn High School, you have developed over the years an awareness that you must have a positive attitude about your studies, your work, and most important a positive attitude about your family and yourself.

Academically, athletically, and socially you have made a contribution to the Woburn schools. You have been a part of our school system and an important part of your families.

While all of us would like to maintain the comfortable nature of the present, the time has come to share you and your talents with the world.

Our hopes are that the positive attitudes fostered by your school administrators, counselors, teachers, and family members will be strengthened over time as that positive attitude will bring you through many bad times and past people and situations which will have a pure aim towards destruction.

Abraham Lincoln in an 1838 address to the Young Men's Lyceum in Springfield, Illinois, stated, "If destruction be our lot, we must ourselves be its author and finisher." To each member of the class of 1985, may I ask you to reflect on this comment developing in each step you take, a positive attitude of reaching your goals in life, remembering that your family and school will always stand with you. Be not afraid to reach out your hand and seek the help as those of us sharing a positive attitude who will always be there to help you.

God bless you all.

Sincerely yours

Paul J. Andrews

THE BAND

SPORTS

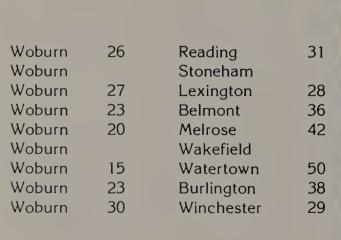

CROSS COUNTRY

This year's harriers posted the most number of victories in the last five years. Seniors Mike Burns, Mike DiMauro, Mike Edwards, Scott LaFrance, Paul Sweeney, Paul Young, and Co-MVPs Nick Pappas and Dan Connolly led the team to seven victories; the second highest total since joining the Middlesex League. The highlight of the season was defeating the Reading Rockets on their own home course.

After getting off to a slow start, the girls finished their season strong. By defeating Winchester for the second straight year, and winning their last three meets; the team led by seniors Patrice Farrey, Leeanne Lewis, MVP Nancy Spolidoro, Lisa Schipeletti, and Karen Wells, evened this year's record at four wins and four losses. Because of their determination, the seniors finished their careers at W.H.S. without ever having a losing season.

Golf

This years' Golf Team, under the excellent coaching of Mr. Bob Doran, finished with the successful record of 9 wins, 2 losses, and 1 tie. Senior captain Larry Fagan performed outstandingly throughout the entire season, and was awarded the Middlesex League's Most Valuable Player Trophy for his talent and dedication. Although a win against Lexington would have made the team co-champions this year, they still managed to qualify for participation in the State Championship this coming spring. This years' team, consisting mainly of very talented underclassmen, hope to be in contention for the title next year.

Football

Although the 1984 Tanner Football Team did not finish with a winning record, (3 wins, 5 losses, 2 ties), this year's team possessed those strong qualities that are not often apparent in a team record. Led by senior captain, Tom Skeffington, the Tanners expressed enthusiam, dedication, and "Tanner Pride" in each game they played.

Talent was, by no means lacking in this team. The Tanners' defense, anchored by Middlesex League All-Stars Sean Coakley and Mike Carbone proved to be one of the best in the league. Sean Coakley received much deserved recognition as he was awarded the "Defensive Player of the Year" by the Woburn Daily Times. Coach Sullivan was very proud of his team, and complimented Bill Hamilton, Phil Masotta, Steve Rae, Richard Sykes, Anthony Tamburro, Don Bishop, Jim Golles, Matt Kisiel, Jim Bradley, Dave Lennon, and Wayne Morrison for their outstanding contributions.

Field Hockey

This was supposed to be a "building" year for the Tannerettes who had only four starters returning. The girls, however, decided they wanted to continue the winning tradition. With a lot of hard work and dedication, the Tannerettes finished second in the Middlesex League after a hard fought loss to Lexington. The team entered the State Tournament and lost to Saugus in triple overtime. It was a very exciting and rewarding season for the Tannerettes. They are still "awesome!"

League All Star recognition was given to Andrea Lentini, Susan Marciano, Mary Santo, and offensive MVP Ruth Vasapolli. Both Suzanne Kenny and Susan Marciano won selected team defensive MVPs. High scorer Cyndi Tully was selected the unsung hero.

SOCCER

Because of their hustle and aggressive style of play, the 1984 WHS Soccer Team was noted as the "scrappiest" team in the League. Senior tri-captains, Jesus Gomez, Michael Tedesco, and Kevin Andrews, all contributed outstanding performances in each game. They wished to make it known that without the teamwork and cooperation of Seniors Ricky Nelson, Mark Donohoe, Dave Johnson, Mark Mackenzie, Kenny Boyd, Lenny Pomerance, Dave Pattelena, and Dick Moro, the team would not have been as successful and enjoyable as it was. "Special thanks to our cheerleaders, who made this season one to remember. We love you guys."

HOCKEY

A darkhorse in the league, the Tanners started strong backboned by the strong goaltending of Paul Stack. Along with Paul, the M. L. all-star goalie, seniors Bill Shea, Chris Giangrande, Mike Joyce, Jeff Kenton, Dave Keating, Paul Ottariano, Peter Dolan, and Rick Nelson ran their record to 14-5-1. With support from junior Brian White, Ken O'Neil, and Chris McCann (the only junior to make the all-star team), the Tanners qualified for the state tournament for the third time in the last five years.

GIRLS BASKETBALL

With only four returning varsity players and considered by many to be young and lacking experience, this year's Tannerettes were the surprise team of the Middlesex League. Led by senior co-captains Cyndi Tully and Ruth Vasapolli, and high scoring Beverly Regan, the team pulled off some truly outstanding wins. Seniors Debbie Massaro and Janet Blackwell were also major contributors to the team's success. Beverly Regan was selected to the league all-star team. With nine juniors returning next season, Coach Cantillon and the Tannerettes are looking forward to the "86" campaign.
